Dear Daniel,

Please accept my heartfelt condolences on the passing of your beloved father Richard.

Your father was a man of great intellect and curiosity, with an unparalleled understanding of Russian and Soviet history. His groundbreaking work will continue to influence academics and world leaders for years to come.

I was fortunate to have had the opportunity to meet your father. I will always remember the great impression he made on me. It was obvious how proud he was to have you as a son.

May you be comforted among the mourners of Zion and derive strength from your loving memories of your father.

Sincerely,

Benjamin Netanyahu
