- @GaryCGambill helpfully surveys the multiple views of @MEForum staff, fellows & guests on the topic of the Palestinian-Israeli conflict. Me: We're coherent without being monotonous. (P.S. Note the major contrast between Israeli & # Hamas forces, below.) <https://t.co/zeaw3NDL37> May 28, 2021 📧
- #YechielShaby: "Anyone who identifies with Israel's enemies at any time, let alone in wartime, should forfeit his citizenship of the country he is attacking & should not continue to benefit from its advantages." Strong words; Shaby should explain them. <https://t.co/uWVK1vPJIG> May 28, 2021 📧
- Another aspect of Turkey going rogue under Erdoğan's criminal enterprise: it's become a major drug trafficker to Europe and the Middle East. <https://t.co/8CywbStihQ> May 28, 2021 📧
- "Calif. Senate Overwhelmingly Passes Divestment From Turkey Bill." Bravo & thanks for being - so far as I know - the first Western institution to initiate a divestment campaign against #Erdoğan. (BTW, the Turkish currency reached an all-time low today.) <https://t.co/9fRvP4RZiZ> May 28, 2021 📧
- Such vicious anti-Israel sentiments do not aid @Harvard's fundraising, at least not with me. <https://t.co/dsA6a3klAm> <https://t.co/vng7zWlppT> May 27, 2021 📧
- "Global Review" interviewed me on the recent Gaza fighting in "The Key Issue of Hamas vs Israel: Will There Be a Fifth Round?" In other words, we don't yet know who won this round. That depends on what happens in the future, if Hamas attacks again or not. <https://t.co/P1e6bRXwjj> May 27, 2021 📧
- @SecBlinken: "America's words matter, America's actions matter, America's engagement matters." Me: - If that were the case, the U.S. secretary of state would not have to state the obvious - This is a dismaying sign of weakness in the Biden administration <https://t.co/f6UYTFs6Oj> May 27, 2021 📧
- @BensmanTodd provides a first-hand report from the US-Mexico border on how "America's burgeoning mass-migration phenomenon has become something nationally historic." It's dismaying and doubly so because the MSM willfully ignores the whole phenomenon. <https://t.co/y8MQzu2xns> May 27, 2021 📧
- Has anyone else noticed this curiosity concerning Israel? - 4 elections in two years - 4 attacks from Gaza since 2008 No one wants a 5th of either but most Israelis expect a 5th of both. <https://t.co/eFPMgMdY48> May 26, 2021 📧
- Jonathan Nizar Elkhoury (@Jonathan_Elk): "While in the UAE&Bahrain, normalization with Israel was a top-down decision, changing public opinion in Lebanon & the growing calls for normalization with Israel hopefully will lead to a bottom-up transformation." <https://t.co/qnOC9lOJdg> <https://t.co/UM1V0TmWjD> May 26, 2021 📧
- Florida just enacted a "Big Tech Bill" that makes it illegal for @Twitter, @Facebook etc. to remove candidates for office&enables law suits against those companies. Me: I endorse the goal but am skeptical of having government dictate to private companies. <https://t.co/oXxSiO8Mhc> May 26, 2021 📧
- @WRMead: #Antisemitism did much to build #Israel and turn it into the powerhouse that it now is. Today, as it spreads on American streets, it will likely further strengthen the #JewishState. Ponder that, antisemites. Me: And will it also awaken US Jews & move them to the Right? <https://t.co/NJLh09syTO> May 26, 2021 📧
- Israel's historic patrons: -USSR -France -USA In the nick of time, as the USSR & France rejected Israel, the next patron turned up. This time? Well, as US support fades, Washington matters less to Jerusalem than at anytime since 1967. @Max_Fisher explains: <https://t.co/mytEzhkcpD> May 25, 2021 📧
- In contrast to Biden & Blinken, who understand the threat facing Israel, an allied democracy, the junior members of their campaigns are fanatic anti-Zionists. Here's a handy list of who should be excluded from positions in this & future administrations. <https://t.co/vvQnk5zL9o> May 25, 2021 📧
- @SecBlinken: "The United States fully supports Israel's right to defend itself against attacks such as the thousands of rockets fired by #Hamas indiscriminately against civilians." Very good to hear. <https://t.co/0KnwNsy7qP> May 25, 2021 📧
- And here, I have the old-fashioned, out-of-date idea that a university is an institution for learning. Judging from this dumb statement signed by the 4 heads of "#Palestine Studies" outfits, it's obviously become a just fancy version of a lobbying firm. <https://t.co/3wugwq1O4p> May 25, 2021 📧
- @KhaledAbuToameh: The recent attacks on Israel have caused "a significant increase in the popularity of Hamas" & decrease in the PA's standing among Palestinians, as shown by street demonstrations & polling data. So much for the prospects of diplomacy. <https://t.co/S74vqFYI3f> May 24, 2021 📧
- The #honorkilling of Muslim females is an unfortunately common fact of life. Of males too is surprisingly common. But elderly parents in Iran calmly killing their son & son-in-law, plus their daughter, then not even expressing any regret? That's freakish. <https://t.co/p65ojVonUY> May 24, 2021 📧
- Woe is us. My experience teaching for two years at the U.S. @NavalWarCollege leads me to believe that the American military officers' wish 1. to keep up with the times & 2. be liked makes them vulnerable to this kind of leftist pressure from politicians. <https://t.co/RlJXD7kRI> May 24, 2021 📧
- A hint of America's future? At the request of Broward County, FL Commissioner Barbara Muhammad Sharief (@bestmom39), a Muslim, @BrowardCounty designated May 13, 2021, as Eid Al Fitr/Muslim Day. Ever heard of Christmas/Christian Day or Rosh Hashonah/Jewish Day? Neither have I. <https://t.co/CDB3lhVrcV> May 24, 2021 📧
- Interesting facts: - By 2100, Nigeria could surpass China in population - The number of 18-year-olds in South Korea has gone from ~900K in 1992 to 500K now -

- Capracotta, Italy went from a population of ~5K to 800 - Adult diapers outsell baby ones in Japan <https://t.co/PY79YqT7TW> May 24, 2021 📧
- @IMRA_updates: An new take on the #TwoStateSolution: # Hamas launching rockets from Gaza meant we "here in Raanana north of Tel Aviv ... enjoyed a comfortable 90 seconds to take cover. A 'two-state solution' means Raanana has "a 5-second warning at best." <https://t.co/ooTVH9xRKo> <https://t.co/th0kNXFms7> May 23, 2021 📧
 - Read up on the latest installment of #Turkish mob boss @Sedat_Peker's many & credible accusations against @RTErdogan's kleptocratic government. My prediction: This will hasten Erdoğan's further descent into dictatorship, as he can't afford to lose power. <https://t.co/rdRPgIJOFS> May 23, 2021 📧
 - @FarzadBonesh: Hey, world, please don't give up on secularists in #Afghanistan. They exist, they are numerous, they have both a history & a future. And, by the way, the #Taliban know this & are worried. Me: That's an important message to keep in mind. <https://t.co/NzGrGGTbHn> May 23, 2021 📧
 - Are Europeans waking up about #Turkey? They are alarmed by the "hyper-centralisation of power" & "Turkey's hostile foreign policy," mentioning Greece, Cyprus, Syria, Libya & Nagorno-Karabakh, saying this "consistently collides with the EU's priorities." <https://t.co/GB7u5fR0KM> May 23, 2021 📧
 - #RickRichman reviews the searing eloquence & the ultimate frustration of #AbbaEban, "the most brilliant diplomat of the second half of the 20th century." To sample that eloquence, watch Eban in action in 1958 with #MikeWallace at <https://t.co/DDZhUHQSHv> <https://t.co/7bBQC60xYj> May 23, 2021 📧
 - Very disappointed to learn that #RobertStraussHupé, founder of @FPRI (which I headed for 7 years), ran a nasty eugenics-based program for #FDR to distribute Jewish survivors of #WWII around the world—and thus, to keep them well outside the United States. <https://t.co/npeR0HtAOB> May 23, 2021 📧
 - This key article finds that the "change has come from European societies themselves & is symbolic of something deeper. Facing terror attacks in the last few years, #Europeans have increasingly associated #Israel as a country facing similar challenges, the canary in the coalmine." <https://t.co/7ifWKDS3W1> May 22, 2021 📧
 - Here's my candidate for least informative headline of the year, from @PewResearch: "U.S. Jews have widely differing views on Israel." Who woulda guessed? <https://t.co/ZiHGIQre7P> May 22, 2021 📧
 - More stupidity from the academy, more embarrassment from my alma mater: 70 @Harvard Univ. faculty members publicly assert that Palestinians are "denied the right to resist" and "Palestinian resistance in all its forms is criminalized by Israel & the US." <https://t.co/sr50dmLmg6> May 22, 2021 📧
 - #Bangladeshi offers another example of the great change now underway: As the Global Left turns against Israel, Muslims increasingly accept the Jewish state. For more on this fascinating topic, see my article "Tectonic Shifts in Attitudes toward Israel" at <https://t.co/UUiLGHcKgd> <https://t.co/cKosfKiQGGu> May 22, 2021 📧
 - A fascinatingly & wildly inaccurate statement of disdain by the @WhiteHouse @PressSec Jen Psaki: "Aside from putting forward a peace proposal that was dead on arrival," Trump did nothing "constructive, really, to bring an end" to the Arab-Israeli conflict. <https://t.co/WkjWhaWWnf> May 21, 2021 📧
 - The Church of Sweden - the largest Lutheran denomination in Europe & the largest Christian denomination in Sweden - has proudly declared itself to be "trans": "The church consists of transgender people. Therefore, the church could be described as trans." <https://t.co/BOs86nHoq> May 21, 2021 📧
 - Such bias surprises even a wizened @MESA_1966 watcher: "The Board of Directors of MESA condemns the ongoing & intensified Israeli government assault on the #Palestinians of East Jerusalem, the West Bank & the Gaza Strip & those who are Israeli citizens." <https://t.co/a8NvXxgP2Q> May 21, 2021 📧
 - Predictably, the #Hamas-Israel ceasefire that began nearly a day ago has led to euphoric claims of victory by #Palestinians (note the picture below) & agonized debates among Israelis. But, in fact, Hamas has been nearly destroyed. More "victories" like this will end it for good. <https://t.co/XuDEDfnKEe> May 21, 2021 📧
 - With trademark incoherence, @Hatembazian spouts his crude antisemitism: "The idea for [Israel], there's been the effort to try to rebuild the Third Temple by destroying Al-Aqsa Mosque and the Dome of the Rock ... They already have the designs, the plans." <https://t.co/8FQSStgkK3> May 21, 2021 📧
 - Workers union at the #IsraelElectricCorporation: Employees will not repair power lines to Gaza until #Hamas returns 1 civilian & 2 bodies of IDF soldiers. Me: It's remarkable when a union has a better strategic sense than a government-owned corporation. <https://t.co/WYPoF6hoMP> May 21, 2021 📧
 - Trying to understand @JoeBiden's stance vis-à-vis Israel? Here's the clue: "Biden's decades-long pattern with Israel: Public support, private scolding." In other words, he's one confused politician who, over time, can be pressured to change his position. <https://t.co/Jg4Fx4HQGY> May 20, 2021 📧
 - 1. The USG correctly criticized @RTErdogan for his antisemitic speech. 2. A very high Turkish official responded, saying that "those who attack our president as antisemitic" were also behind the coup attempt in 2016: "We all know that." Me: Bravo, Biden. <https://t.co/InjcdkuAD8> May 20, 2021 📧
 - The #Hamas-#Israel war is so hard to follow & assess because it has 5 main arenas: 1 The military battlefield 2 Israeli Muslims 3 The formation of an Israeli government 4 Regional responses 5 International responses #1 drives all the others. #2 is ultimately the most important. <https://t.co/aXH5FMP00i> May 20, 2021 📧
 - Well the Spanish government's response was more impressive than I expected: "By Wednesday, #Spain had expelled 5,600 of [the 8,000] who had entered illegally over the previous two days." That implies #Morocco's government agreed to take them back. <https://t.co/EePDeWGoHU> <https://t.co/LEQWhFZLGF> May 20, 2021 📧
 - NB: "The 'Palestinian International Terrorism Support Prevention Act' passed the #HouseOfRepresentatives in 2019 unanimously. Today, 200 House Democrats who previously supported the bill switched their vote to oppose sanctioning #Hamas' financial backers." <https://t.co/2Hu4qZv7Wc> <https://t.co/gaPhwFTDzV> May 20, 2021 📧
 - ICYMI: #GeorgeHNash tells the fascinating story of #RonaldReagan's intellectual and political journey from Left to Right between 1947 and 1957, from the #ADA to #NationalReview. What happened? "It came down to this: Ronald Reagan was mugged by reality." <https://t.co/U5IPutJS8o> <https://t.co/L92zNK7bw9> May 19, 2021 📧
 - MidEast studies profs boast of their tawdry motives. Brynjar Lia (@brynjarlia) of @UniOslo, publicly admitted that conspiracy theories are understudied because writing about them means having to cite me & "who'd want to have Daniel Pipes in his footnotes?" <https://t.co/6dHt9woZ4Z> <https://t.co/RoD5xLPfmO> May 19, 2021 📧
 - More than 30K academic journals publish >2mn papers every year, which is something like ~200 per hour. ... most attract modest readerships because they're hidden behind high-priced paywalls, or they're comprehensible to only a few, or they're somewhat dull. <https://t.co/7kJnVY4WI> May 19, 2021 📧
 - Israeli PM @Netanyahu talks victory: "We'll do whatever it takes to restore order & quiet & the security of our people & deterrence. We're trying to degrade Hamas's terrorist abilities & to degrade their will to do this again." The final 8 words are key. <https://t.co/gaG6hCYbHo> May 19, 2021 📧
 - @Kann_News: #Hezbollah has dug a network of tunnels 100 km long from #Beirut to near #Lebanon's border with Israel to enable the swift & covert movement of its forces. Me: Israel's enemies again show an evil ingenuity. But Israel each time defeats them. <https://t.co/vsqRDhfHPF> May 19, 2021 📧
 - 6K illegal migrants swam unimpeded from Morocco to the Spanish enclave of #Ceuta yesterday. How did Spain's PM respond to this crisis? "Citizens must know that they have the absolute support of the Spanish government." Me: Well, that's a really big help. <https://t.co/mqmdfyvtgF> May 18, 2021 📧
 - A survey of @Harvard's Faculty of Arts & Sciences (which I am posting on the 3rd anniversary of my father's death): - 41% say the university's standing fell in the past decade -6% say it has improved #RichardPipes? He would be emphatically with the 41%. <https://t.co/CVrxRqHYin> May 17, 2021 📧

- I participated in "The Debate" (in English) on @France24 on the current #Hamas-Israel war. It was well done as these things go - a fair moderator & a civilized conversation. But #JohnVWhitbeck's conspiracy theory about Jerusalem dictating policy to DC was a bit much to swallow. <https://t.co/ejk0KeZOL1> May 17, 2021 📧
- @yakis_yasar, a founding member of the @AKParti & former Turkish foreign minister, reports on the extent of corruption in Turkey's government revealed by the notorious @Sedat_Peker, both an AKP insider & "a well-known ringleader of the Turkish underworld." <https://t.co/2wN5oN6JmT> May 17, 2021 📧
- @BrookingsInst: "The labor force participation rate of Saudi women increased from 20% in late 2018 to 33% by the end of 2020—that is to say that the share of Saudi women in the labor market expanded by an incredible 64 percent in just two years!" Go #MbS. <https://t.co/TlxyxYx0D9> May 17, 2021 📧
- Here's an unusual & positive sight: Mansour Abbas (@mnsorabbas), head of an Israeli #Islamist party, #Raam, visited a burned synagogue in Lod & condemned the anti-Jewish violence – in Hebrew, against the backdrop of the adhan (the Islamic call to prayer). <https://t.co/F80nvkmTmk> May 16, 2021 📧
- I nominate this @WashingtonPost headline as the dumbest (so far) of the current #Hamas war on #Israel: "Israel's military assault on Gaza threatens to worsen the pandemic in the enclave." It: 1. Blames the wrong party. 2. Focuses in on the wrong topic. <https://t.co/dD3gg4RGhz> May 14, 2021 📧
- In his wisdom, @SecBlinken has replied: "An Iran with a nuclear weapon ... is an Iran that is even more likely to act with even greater impunity. ... So the talks go on to see if we can return to mutual compliance with the #JCPOA, and those will continue." <https://t.co/MSxSh8D6Nc> <https://t.co/P6nv1eWzeK> May 14, 2021 📧
- The @IDF apparently faked a ground assault on Gaza by making announcements & moving troops. This brought #Hamas troops out of their tunnels & exposed them to a heavy air attack. - That's the IDF of old—clever & innovative - Go Chief of Staff #AvivKochavi <https://t.co/Su8FnsIC8k> May 14, 2021 📧
- #JalalBana on the crisis: "The sane, humane voices on both sides must raise their voices loudly & clearly against those who would like to take us lightyears back in time. We will not let them, not this time. We Jews & Arabs will stop this hatred together." <https://t.co/6iAtRpJ9vd> May 14, 2021 📧
- 40 US senators to Biden: "We call on you to immediately end negotiations with Iran, and make clear that sanctions relief will not be provided. Doing so would demonstrate a firm commitment to our closest ally in the region and to our own security interests." <https://t.co/Y5i3bAhwhl> <https://t.co/Xj3yX3RhWt> May 13, 2021 📧
- I am broadly sympathetic with the just-announced anti-Trump "#CallForAmericanRenewal." But I do not plan to join it, and for two main reasons: 1. A 3rd party is almost certainly doomed to fail 2. There is no alleged "disenfranchisement of voters" underway <https://t.co/Pxz4RwBBA1> May 13, 2021 📧
- A silver lining: "In a rare display of unity, Israeli politicians from across the spectrum—from #Islamist Arab to far-right Jew—expressed shock & condemnation of the paroxysms of internal Jewish-Arab violence that erupted across the country in recent days." <https://t.co/MDailyU03U> May 13, 2021 📧
- Israel's "descent into civil war is potentially more threatening than the enemy across the border. A country without internal cohesion simply cannot survive in a perennially dangerous region. A country tearing itself apart from within is no place to live." <https://t.co/JztBks9u7g> May 13, 2021 📧
- #Italy's civilizationist leader, @MatteoSalvini, strongly supports Israel as it comes under assault from the #jihadis. In a typical & predictable response, Italy's Left & #Islamists threatened him with death: <https://t.co/1EoCj3NU0M> Happily, he leads Italy's most popular party. <https://t.co/nmNSvfpPuS> May 13, 2021 📧
- Yardımcı Derneği (@Yardimeli), a Turkish Islamist "charity" (in English, "Helping Hand") says the Israeli air force destroyed its 5-story building in #Gaza. The pictures suggest it was specifically targeted. If this is true, how will @RTErdogan respond? <https://t.co/GtlWrr7cwf> <https://t.co/YmuLHntTL9> May 13, 2021 📧
- Good to see that some Israeli Arab leaders are calling for an end to violence, including Mansour Abbas (@mnsorabbas), Esawi Frej (@EsawiFr) & Ayman Odeh (@AyOdeh). To me, the future of Israeli Arabs is yet more important than that of #Hamas or the PA. <https://t.co/C2acoCsUll> May 12, 2021 📧
- Lod Mayor Yair Revivo: "Civil war" has broken out, decades of coexistence efforts have collapsed. @YosephHaddad, CEO of Together: The rioters are just several 100s out of 1.9 million Arab Israelis & do not represent them. Me: I hope Mr. Haddad is right. <https://t.co/vYNDI58Did> May 12, 2021 📧
- Brava @RepLizCheney: "This is not about policy [or] partisanship. This is about our duty as Americans. Remaining silent and ignoring the lie emboldens the liar. I will not participate in that. I will not sit back and watch in silence while others ... abandon the rule of law." <https://t.co/4aBmaYgavk> May 12, 2021 📧
- Sima Shine of @INSSIsrael on Israel's position vis-à-vis #Hamas: "There is no policy." Very true, and that's where the goal of #IsraelVictory comes in. This clears away confusion & offers a simple, clear path forward. When will Israel's leaders adopt it? <https://t.co/Yp77EafwsN> May 11, 2021 📧
- Confused why just now there's street violence in & rockets aimed at #Jerusalem? @YaakovLappin offers the best explanation I've yet seen at @JNS_org: Anger over the Palestinian elections & exploiting the disarray post-Israeli elections. Me: A good reason to avoid 5th elections. <https://t.co/O0QfbtVXXP> May 11, 2021 📧
- The president of @Harvard called my class of 1971 the "worst ever." On the occasion of our 50th reunion, I conclude that, sadly, he was correct. More sadly, I review how Harvard has degenerated, as symbolized by my suggested change in the shield, below. <https://t.co/V9Kw2oYYhG> May 11, 2021 📧
- #AvrahamShusteris: "Something incredible happened last week, perhaps even historic. In a maritime border dispute with Lebanon ... Israel prepared to respond to Lebanon's newly expanded claim with its own increased territorial claims." #IsraelVictory. <https://t.co/KTyMUUpUj6u> May 10, 2021 📧
- @IdiazAyuso, Madrid's triumphantly re-elected moderately conservative leader: "When they call you a #fascist ... you know you're on the right side of history." Me: - Sad that things have reached this point - I cannot & will not embrace the "fascist" label <https://t.co/jFZwalyOfX> May 08, 2021 📧
- Today marks the centenary of a very black day in the history of Israelis & Palestinians. On May 8, 1921, #HerbertSamuel appointed Amin al-Husseini as mufti of Palestine, enshrining as the Palestinian future his absolute rejectionism of Zionists & his future alliance with Hitler. <https://t.co/EATAm3QB4R> May 08, 2021 📧
- How does the @Guardian today celebrate its 200th birthday? By ruing its support for the #BalfourDeclaration, which eventually led to the creation of Israel, of course: "Israel today is not the country the Guardian foresaw or would have wanted." For shame. <https://t.co/TybmMPAuL> May 07, 2021 📧
- How rich an irony: It turns out that 9 of 11 northern breakaway (i.e., Turkish) #Cyprus "ministers" hold passports from the legitimate Republic of Cyprus. Hey guys, time to call off the pretense of a #TRNC after 47 years of failure and go quietly home? <https://t.co/NSupmfGkeL> May 07, 2021 📧

- @KevinBossuet, a French professor of history, who 10 years ago was on the Left: I discovered the "suburbs," the growth of Islamism, the anti-white racism & the antisemitism. - We can agree, no, that the Left dominates US universities? Then, it's noteworthy that it can present itself as the victim of vicious articles in a conservative publication, @CampusReform. The Left wallows in victimization. Enough with this ploy, already. <https://t.co/VDMAORsmOv> May 05, 2021 📧
